

Sora 2 Prompt Generator Cheat Sheet

This cheat sheet gives you ready-to-use prompts for OpenAI's Sora 2, the AI video generator with synchronized audio. Each section contains structured examples you can copy, paste, and tweak for cinematic, animated, commercial, and storytelling use cases.

Cinematic Prompts

- Wide cinematic shot of a snowy mountain at sunrise. A lone wolf walks across the ridge. Camera pans slowly from left to right, focusing on the wolf's breath in the cold air. Soft wind and distant eagle cries are heard. Epic orchestral score.
- Close-up of an astronaut floating outside a space station, Earth in the background. Camera rotates slowly around the astronaut. Radio chatter and faint breathing are audible.

Urban / Short Film Prompts

- Close-up of a young woman under a neon sign in Tokyo. Raindrops hit the ground, reflecting bright colors. Camera zooms out to reveal the bustling street. The woman whispers, 'I will find you.' Ambient rain and city traffic sounds.
- Tracking shot of a skateboarder weaving through traffic in New York City at dusk. Camera follows low to the ground. Street noise, cars honking, and upbeat hip hop track play in sync.

Animated / Whimsical Prompts

- Cartoon-style animation of a playful puppy chasing butterflies in a sunny meadow. Camera follows from the puppy's perspective. Gentle children's music and birds chirping fill the background.
- Fantasy-style animation of a dragon flying above a glowing castle at night. Camera follows from behind the dragon's wings. Thunder rumbles and mystical chimes echo.

Marketing / Commercial Prompts

- Product showcase: A smartphone rotates on a pedestal with glowing neon lights. Camera circles around it smoothly. Futuristic electronic music plays with sound effects matching transitions.
- Food ad: A burger assembled in slow motion with sizzling sound effects. Camera zooms in on melting cheese and steaming beef patty. Upbeat background music sets a lively tone.

Storytelling Prompts

- A child sits by a campfire at night, telling a ghost story. Camera zooms in slowly as the child's face glows in the firelight. Crickets chirp, and the fire crackles loudly.
- Epic fantasy: A knight raises a sword in a battlefield at dawn. Camera sweeps upward to reveal thousands of soldiers. Trumpets and battle drums sound as the knight shouts, 'Charge!'
